# Methley Park Patient Update

## December 2019

Keeping patients up to date with news, events and trends shaping our hospital

## What does a 'New Year' mean to you?

Cosmetic surgery is no longer the preserve of the female gender as more and more men are taking the opportunity of going 'under the knife' to achieve a younger and more healthy appearance.

That doesn't mean women are being left behind though as cosmetic surgery seems to be growing in popularity amongst both sexes.

So as the New Year dawns many men and women of a variety of ages start to consider a new look. At Spire Methley Park Hospital, our Consultant Plastic Surgeons are available through the week for consultations to discuss the options available to you.

Some of the procedures carried out at Spire Methley Park Hospital include:

- Breast reduction
- Male breast reduction (gynaecomastia)
- Breast enlargement
- Breast Uplift
- Tummy tuck
- Liposuction
- Face and neck lift
- Eyelid surgery

## Christmas Closure

Spire Methley Park Hospital will be closed on Tuesday 24th December 2019 and will re open on Friday 27th December 2019.

## Fundraising at the hospital

On the 13th December the staff at Spire Methley Park Hospital are taking part in the Save the Children's Christmas Jumper Day.

Save the Children was established in the United Kingdom in 1919 to improve the lives of children through better education, health care, and economic opportunities, as well as providing emergency aid in natural disasters, war, and other conflicts.
