Spire Little Aston Hospital provides excellent patient care through its state-of-the-art facilities and dedicated clinical teams.

Mr Shiv Jain, Consultant Orthopaedic Surgeon at Spire Little Aston Hospital

About Spire Little Aston Hospital

At Spire Little Aston Hospital, we provide comprehensive treatments and care from our comfortable private hospital in Sutton Coldfield, near Birmingham city centre.

We're dedicated to providing quality treatment and aftercare. This means ongoing investment in our facilities and introducing new services so you can have up-to-date treatment and care in a clean, comfortable environment.

Facilities at Spire Little Aston Hospital

We aim to make our patients' stay with us as comfortable as possible. Our facilities include:

- 32 private bedrooms, each outfitted with en-suite facilities, television and WiFi access
- Three advanced operating theatres, that are equipped with laminar flow systems, ensuring the utmost standards of cleanliness and safety
- Specialised minor operations theatre, including comprehensive endoscopy services
- Conveniently located on-site, our pharmacy is open from 9am to 5pm, Monday to Saturday, for all your prescription needs
- Our outpatient facility is available from **8am – 8pm, Monday to Friday** and **8am – 1pm on Saturday**
- Experience the future of joint replacement with private Mako robot, a leader in robotic hip and knee replacement surgery
- We offer a full spectrum of diagnostic services including CT, Fluoroscopy, Mammography, MRI, Ultrasound and X-ray
- Our extended recovery unit is specifically designed for enhanced post-operative care, focusing on your comfort and recovery
- Benefit from on-site radiotherapy services with Genesis Care MQEM approved Cancer Centre offers exceptional oncology and haematology services outside the NHS
- Receive efficient and convenient blood test results with our in-house pathology service Perform Centre for Rehabilitation offers sports therapy, physiotherapy, and post-operative rehabilitation to support your recovery journey
- Dedicated Spire Eye Centre department offering treatments for a variety of eye conditions, ensuring your vision is in expert hands

How to refer your patients

At Spire Little Aston we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **0121 514 7235**.

- 1 Use Spire Connect to upload the referral letter. Call **0121 514 7235** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **0121 580 7151** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

NHS referrals

Spire Little Aston Hospital provides a range of elective surgical services on behalf of the NHS, including orthopaedics and general surgery. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system.

Referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com/>
- Emailed with encryption to spirelittleastonoutpatientbookings@spirehealthcare.com

For self-funding patients

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **0121 514 7235**

Email: **info@spirelitleaston.com**

Our fixed price packages* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cataract surgery
- Cosmetic surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Weight loss surgery

Finance payment options are available for patients who wish to spread the cost of their treatment.

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

GP online referral guide

Spire Connect enables practice staff to log in and send secure, instant online referrals to Spire Healthcare hospitals. The system is designed to be as simple and efficient as possible, while protecting all confidential information within secure servers. It's our people that really set us apart.

Visit <https://spireconnect.spirehealthcare.com> or click on Spire Connect from the GP information and resources tab on our website.

GP registration

When you access Spire Connect for the first time you will be required to register a few personal details to allow you access to the site and grant you permission to make referrals.

The GP information and resources area will also contain information from Spire Healthcare specifically for GPs including news on our forthcoming GP events.

Making a referral

To make a referral click on the 'Make an online referral' link and complete all relevant details. The referrals for each patient will need to come from the GP making the referral.

NHS referrals

You may refer patients to Spire Little Aston Hospital under the NHS choice regulations. To see what NHS services are provided and to make a referral, please use the NHS eReferral service.

Imaging and other referral types

You can make referrals for radiological investigations by selecting 'Radiology' under the specialty list. To make a referral for physiotherapy, podiatry, dietetics, psychology etc, select one of these from under 'Allied Health Professionals' in the specialty list.

Attaching patient notes

It is possible to attach patient notes to the form, however the ease of this will depend on your own patient record software. Take a look at the options available in your software to see if records can be 'exported' or 'saved as' to your desktop. Then from there you can attach them to this form. You will need to save the notes in a common format such as a text or word document (.rtf, .pdf, .doc, .txt), a spreadsheet (.xls or .csv) or an image format (eg .bmp, .jpg). Then click the 'send referral' button at the bottom of the page to submit the referral.

For more information on Spire Connect, contact wprimarycaresupport@spirehealthcare.com

Spire

Little Aston Hospital

New physiotherapy services for 2024

From your general well being to post op recovery our physiotherapy team at Spire Little Aston Hospital offer a range of treatments to get you on your feet. We have recently launched some new services within our department.

How we can help...

Hand therapy: A hand therapist will provide specialist care of your condition, as they can assess your problem and provide treatment.

Shockwave therapy: A non-invasive treatment that can target specific pain in muscles, bone, tendons, joints and tendons.

Scar management: Improve scar sensation, movement and healing after surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Ricardo Camprodon

Lumps and bumps, gallbladder, hernias including: open hernia, keyhole hernia, abdominal hernia and groin hernia, gastroscopy, antireflux surgery, laparoscopy, temple artery biopsy, skin tags, pilonidal disease and sebaceous cyst.

NHS Trust Base: Dudley Group NHS Foundation Trust

Mr Mark Chapman

Colorectal, colonoscopy, pelvic floor dysfunction, treatment for haemorrhoids and faecal incontinence.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Vijay Ganesh

Breast lump excision, mastectomy, breast surgery, hernia repair, lipomas and sebaceous cysts.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Harmeet Khaira

Varicose veins, hernia surgery including laparoscopic and local anaesthetic, laparoscopic cholecystectomy and general surgery including lumps and bumps.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Amir Khan

Anti-reflux operations, gall bladder operations, obesity surgery including laparoscopic gastric banding, open and laparoscopic bypass, laparoscopic sleeve gastrectomy and bariatric conversions (gastric band to bypass), open and laparoscopic hernia repair, vascular surgery including injection and sclerotherapy, thyroid and para-thyroid surgery and laparoscopic surgery.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Zahid Khan

Open and laparoscopic bypass, laparoscopic sleeve gastrectomy and bariatric conversions (gastric band to bypass) open and laparoscopic hernia repair, thyroid and para-thyroid surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Stephan Körsgen

Anorectal conditions, colorectal surgery, laparoscopic colorectal resections and rectopexy, laparoscopic cholecystectomy and local excision of rectal neoplasms (TEMS).

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Yogesh Kumar

Laparoscopic general and upper GI surgery with specific area of interest in gallstone disease, abdominal wall and groin hernia, gastro-oesophageal reflux disease and hiatus hernia, lumps and bumps and key hole surgery for appendicitis and ruptured stomach or duodenal ulcers.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Himaz Marzook

All types of abdominal wall hernia including groin hernias. Groin and abdominal wall hernia under local anaesthetic. Acid reflux including repairing hiatus hernia, gallbladder surgery and surgery for lumps and bumps.

NHS Trust Base: University Hospitals of Derby and Burton NHS Foundation Trust

Mr Dham Mobarak

Laparoscopic general and upper gastro-intestinal surgery with interest in laparoscopic cholecystectomy, laparoscopic hernia repairs (groin and abdominal wall hernia), gastro-oesophageal reflux disease and anti-reflux surgery (fundoplication and hiatus hernia repair).

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Jitesh Parmar

Gallbladder, Gallstone Removal, Gastric Bypass Surgery, Gastric Sleeve Surgery, Allurion Balloon, Laparoscopic Anti-Reflux Surgery, Laparoscopic Hiatus Hernia Surgery, Incisional Hernia Surgery, Open Inguinal Hernia Surgery, Open Umbilical Hernia Surgery, Soft Tissue Lump Excision

NHS Trust Base: New Cross Hospital W'hampton & Walsall Manor NHS Trust

Mr Rajeev Peravali

General and colorectal surgery for gallstones, hernias, Crohn's disease, colitis/ulcerative colitis, diverticulitis, haemorrhoids, rectal prolapse, anal fissures, rectal bleeding, bowel cancer and colon polyps, chronic constipation and faecal incontinence.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Miss Ragavan Vidya

Breast cancer, benign breast disease, breast oncoplasty and reconstruction and hernia surgery.

NHS Trust Base: The Royal Wolverhampton NHS Trust

Mr Naseem Waraich

Laparoscopic general/colorectal surgery, endoscopy, gall stones, hernia, haemorrhoids, lumps, IBD, rectal prolapse, bowel cancer, diverticula disease, fissure and fistulas.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Haney Youssef

Advanced and recurrent abdominal cancer, peritoneal malignancy, cytoreductive surgery and heated intraperitoneal chemotherapy (HIPEC), colonoscopy, colorectal including cancer, diverticular disease, endoscopy, fistula and anal fissure treatments, haemorrhoids, hernia repair, inflammatory bowel disease, laparoscopic cholecystectomy, OGD and pilonidal sinus disease.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

GP

Dr Jaswinder Bal

General Practitioner.

NHS Trust Base: Beechdale Health Centre

Dr Vinit Kundra

General Practitioner.

NHS Trust Base: Sutton Coldfield Group Practice

Dr Sarah Wright

Contraception, dermatology, general practice, holistic care, menopause and women's health.

NHS Trust Base: Private patients only

Gynaecology

Miss Parveen Abedin

Colposcopy, endometriosis, gynaecological cancer, HRT and menopause, menstrual disorders and minimal access surgery including total laparoscopic hysterectomy.

NHS Trust Base: Birmingham Women's and Children's NHS Foundation Trust

Ms Evangelia Bakali

Advanced laparoscopy, gynaecological cancer, menstrual disorders, pelvic pain, colposcopy, hysteroscopy, endometriosis and the menopause.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Janos Balega

Ovarian cysts, womb cancer, cancer risk assessment, cervical cancer, fertility-sparing surgery, colposcopy, and complex laparoscopic surgery, day-case laparoscopic hysterectomy, advanced ovarian cancer surgery, gynaecological cancers and HRT after cancer treatment.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Richard Cartmill

Abdominal and vaginal surgery, abnormal uterine bleeding, colposcopy, endometriosis, endometrial ablation, hysteroscopy and menstrual disorders.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Amit Chaudhuri

Colposcopy, menstrual disorders, heavy menstrual bleeding, hysteroscopy, endometrial ablation, mirena coil, hysterectomy, vulval skin disorders and sterilisation.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Honest Honest

Gynaecological cancer surgery, laparoscopic surgery and urogynaecology.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mrs Preeti Jain

General gynaecology, gynaecology scans, incontinence, menstrual disorders, prolapse, recurrent bladder, infections, urodynamic and urogynaecology.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mrs Ravinder Kalkat

General gynaecology, menstrual disorders, pelvic pain, endometriosis, menopause, management of fibroids, gynaecological cancer, gynaecology scans, advanced, gynaecological surgery – abdominal, vaginal and laparoscopic, colposcopy and vulvoscopy – vulval skin disorders.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mrs Kamakshi Karri

Colposcopy, general gynaecology, menstrual disorders, pelvic pain, endometriosis and postmenopausal bleeding.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Mohan Kumar

Advanced laparoscopic surgery, endometriosis, gynaecological cancer, hysteroscopy, infertility, menopause, menstrual disorders and prolapse.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mrs Pallavi Latthe

Bladder pain, general gynaecology, incontinence, menopause, menstrual disorders, fibroids, ovarian cysts, paediatric and adolescent gynaecology, pelvic pain, prolapse, recurrent cystitis, overactive bladder, urodynamics, hysteroscopy, cystoscopy, urogynaecology, vaginal laxity, labiaplasty

NHS Trust Base: Birmingham Women's and Children's NHS Foundation Trust

Miss Bhawana Purwar

Urogynaecology, bladder investigations (cystoscopy), prolapse, menstrual disorders, menopause, menorrhagia, endometrial ablation, female sterilisation, hysterectomy, hysteroscopy, laparoscopy investigation & treatment, ovarian cyst removal, stress urinary incontinence, urodynamics, vaginal repair, autologous fascial slings, botulinum toxin to bladder, bulkamid, colpoceleisis, sacrospinous fixation.

NHS Trust Base: University Hospitals Derby & Burton

Mr Tony Thomas

General gynaecology, menstrual disorders, ovarian cysts, pelvic pain and endometriosis, gynaecological cancer, HRT and menopause, minimal access surgery including total laparoscopic hysterectomy, hysteroscopy, gynaecology ultrasound and endometrial ablation.

NHS Trust Base: The Walsall Healthcare NHS Trust

H

Haematology

Dr Paul Ferguson

Oncology.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Bhuvan Kishore

Haematology oncology, myeloma, lymphoma, myeloproliferative disorders, leukaemia and stem cell transplant.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Matthew Lumley

Haematology.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Shankara Paneesha

Haematological oncology including lymphomas, CLL, myelodysplasia and myelomas, stem cell transplantation and venous thromboembolism.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Vinayak Tandon

Anaemia, bleeding and clotting disorders, blood cancers, platelet and white cell disorders.

NHS Trust Base: The Walsall Healthcare NHS Trust

N

Neurology

Dr Baig Al-Moyeed

Blackouts, epilepsy, falls, functional disorders, gait disorders, headaches, migraines, muscle disorders, multiple sclerosis (MS), peripheral nerve disorders and Parkinson's disease. Movement disorders such as hemifacial spasm, blepharospasm, cervical dystonia (torticollis), head tremor, writer's cramp and jaw tremor. Nerve blocks to treat difficult headaches.

NHS Trust Base: The Royal Wolverhampton NHS Trust

Dr Nicholas Davies

Neuro muscular disorders, neuro metabolic disease, headaches, epilepsy, MS, stroke, movement disorders, spinal problems, concussion, peripheral nerve (peripheral neuropathy) and muscle (myopathy).

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Neurophysiology

Dr Noushad Mytheen

EMG and nerve conduction studies for carpal tunnel syndrome and other nerve trappings, peripheral neuropathy, neuromuscular disorders, motor neurone disease, myasthenia gravis, epilepsy (diagnosis and treatment), EMG (electromyography), nerve conduction studies, electromyography guided botulinum injections, evoked potential studies (EPs) for suspected MS, EEG (electroencephalography), sleep deprived EEG and ambulatory EEG.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Neurosurgery

Mr Spencer Harland

Cervical and lumbar micro discectomy, disc replacement surgery, minimally invasive surgery, spinal fusion and spinal surgery.

NHS Trust Base: Private patients only

Mr Faizul Hassan

Neuro-spinal surgeon. Spinal surgery for arm pain, back pain, cervical and lumbar micro discectomy, cervical and lumbar spine surgery, cervical disc replacement, endoscopic lumbar discectomy, intradural tumour surgery and spinal fusion surgery, minimal invasive spinal surgery, neck pain, sciatica, surgery for adult spinal deformity, surgery for spinal trauma and tumour, and thoracic spine surgery.

NHS Trust Base: The Royal Orthopaedic Hospital NHS Foundation Trust

Mr Fahid Rasul

Spinal disorders, such as back pain, neck pain, sciatica, and hydrocephalus. Brain tumours and head injuries. Anterior and lateral spinal surgery, cervical spine surgery, Intradural spinal surgery, lumbar decompression, lumbar spine surgery, micordiscectomy, spinal fusion, minimally invasive surgeries and pain management.

NHS Trust Base: University Hospitals Coventry and Warwickshire NHS Trust

P

Pain management

Dr Abir Doger

Facet joint injury, epidural, local anaesthetic blockade, cancer pain and complex pain syndromes.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Fraser Duncan

Neuro-anaesthesia and pain management.

NHS Trust Base: Private patients only

Dr Arul James

Pain management interventions aimed at alleviating a diverse spectrum of chronic pain conditions including Occipital Headaches, shoulder pain, knee pain, widespread neuropathic pain, localised neuropathic pain, myofascial pain, nerve injections and radiofrequency treatment, infusion treatments tailored to combat widespread nerve pain and the application of concentrated chilli cream (Quetenza) to target localised nerve pain.

NHS Trust Base: George Eliot Hospital NHS Trust

Dr Sri Krishna

Chronic pain management and anaesthetics.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Paediatric medicine

Professor Rashid Gatrud

All general paediatrics, heart murmurs, asthma/cough and chest problems, crying babies, vomiting (reflux), feeding problems in babies, failure to thrive/diarrhoea, convulsions and epilepsy, headaches, constipation, abdominal pain, eczema, urine & kidney problems including bed wetting, anaemia, lethargy, growth problems and limping.

NHS Trust Base: Walsall Healthcare NHS Trust

Dr Kishor Tewary

Chest problems/asthma, chronic constipation, enuresis/bed wetting, fainting, feeding problems, food allergy (blood test), general paediatric conditions, GOR, headache/migraine, hydronephrosis/dilated kidney, kidney/bladder disorders, milk allergy/intolerance, nutrition/developmental issues, pain abdomen, urinary reflux and urinary tract infection.

NHS Trust Base: Private patients only

Podiatry

Miss Helen Milnes

Diagnosis and surgical management of foot pain and deformities, bunions, arthritis, hammer toes, soft tissue masses, neuroma, skin and nail pathologies, reconstructive and revision forefoot surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Psychology

Dr Shradha Lakhani

Clinical psychologist specialising in oncology and palliative care, generic psychology service for adult mental health disorders including anxiety and depression, weight management service and bariatric assessments, physical health conditions, loss and adjustment, body image issues and disfigurement, pain management, diet and fatigue, self-esteem and confidence issues, phobias, grief and bereavement as well as post-traumatic stress disorder.

NHS Trust Base: The Walsall Healthcare NHS Trust

O

Oncology

Dr Shobhit Bajjal

Cancer of unknown primary, cancer rehabilitation, colorectal cancer, hepatobiliary cancer, lung cancer and chemotherapy.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Ahmed El-Modir

Bladder cancer, breast oncology, chemotherapy, gynaecological oncology, kidney cancer and prostate cancer.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Indrajit Fernando

Breast, gynaecological, radiotherapy and chemotherapy.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Daniel Ford

Brachytherapy and radiotherapy, prostate cancer, urological oncology, radiotherapy and chemotherapy.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr James Good

Colorectal, head and neck thyroid, radiotherapy and chemotherapy.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Daniel Henderson

Chemotherapy, targeted therapy and radiotherapy for breast, prostate and bladder cancer.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Sundus Yahya

Breast cancer, lung cancer, skin cancer, chemotherapy, immunotherapy, radiotherapy and stereotactic ablative radiotherapy (nodes, bones, spine, lung and SABR SBRT).

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Ophthalmology

Mr Maghizh Anandan

Cataract surgery with premium lens, laser refractive surgery including key-hole LASIK, refractive clear-lens exchange, corneal grafts, management of keratoconus including collagen cross-linking and management of glaucoma.

NHS Trust Base: University Hospitals of Derby and Burton NHS Foundation Trust

Mr Kam Balaggan

Micro-incisional suture-less cataract surgery, micro-incisional vitrectomy surgery, including comprehensive treatment of eye floaters and all retinal disorders including age-related macular degeneration, intravitreal therapies (Ozurdex, Lluvien, Lucentis and Aflibercept) and retinal laser.

NHS Trust Base: The Royal Wolverhampton NHS Trust

Mr Daniel Calladine

Cataract surgery (micro incision) including premium lenses, toric anti astigmatism correction and multifocal lenses, corneal and external eye disease, corneal transplants and DSEK grafts, corneal cross-linking, clear lens exchange and refractive laser, dry eye disorders and YAG laser capsulotomy.

NHS Trust Base: Private patients only

Mr Imran Masood

Cataract surgery and micro-invasive glaucoma.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Miss Faye Mellington

Oculoplastic surgery, plastic, reconstructive and aesthetic surgery of the eyelids, lacrimal (tear) drainage system and orbit (eye socket). Eyelid biopsy and tumour removal, eyelid reconstruction, eyelid lift, brow lift, blepharospasm, watery eye surgery (punctoplasty, eyelid tightening, dacryocystorhinostomy (DCR), orbital disease, thyroid eye disease, orbital tumours, eye removal and eye socket reconstruction.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Dr Rupal Morjaria

Treatments of cataracts, diabetic and age related retinal conditions, inherited rare conditions, inflammatory eye conditions and most other retinal conditions including complex retinal conditions including diabetes, macular degeneration, uveitis and retinal genetics.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Aidan Murray

Cosmetic eyelid surgery, cataract surgery, lacrimal surgery (watery eyes) with Endoscopic DCR, oculoplastic and orbital surgery.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Manoj Parulekar

Children's eye problems, squint correction in adults and children, droopy eyelid (ptosis) correction and surgery for watery eyes (tear duct procedures).

NHS Trust Base: Birmingham Women's and Children's NHS Foundation Trust

Mr Thomas Ressiniotis

Cataract surgery, premium lens implants, comprehensive glaucoma assessment and monitoring, minimally invasive glaucoma surgery, selective laser trabeculoplasty, ocular surface problems and dry eyes.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Professor Peter Shah

Glaucoma, glaucoma laser (including SLT) and ocular surface problems

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Ramesh Sivaraj

Age related macular degeneration (AMD), diabetic retinopathy and maculopathy, retinal vascular disease, intraocular inflammation and cataract surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Ajai Tyagi

Retinal disorders, including age related macular degeneration, Intravitreal therapy (Ozurdex, Lluvein, Lucentis and Aflibercept) and laser photocoagulation.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mrs Hilary Wager

Children and adult orthoptics, squints, amblyopia, ocular muscle disorders, muscle palsy, stroke management, eye strain and visual field testing.

NHS trust base: The Walsall Healthcare NHS Trust

NHS Trust Base: Private patients only

Oral and maxillofacial

Mr Suresh Shetty

Dental implants, facial pain, facial skin surgery, jaw deformity and salivary gland surgery.

NHS Trust Base: The Royal Wolverhampton NHS Trust

Mr Rhodri Williams

Bone grafting, facial pain, jaw deformity, orthodontic extractions, paediatric oral surgery and wisdom teeth.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Orthopaedics – lower limb

Mr Jamie Arbuthnot

ACL reconstruction, arthroscopic knee surgery, cartilage surgery, knee replacement, meniscal surgery, revision knee replacement, sports injuries, partial knee replacement and Mako robotic knee replacement.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Seyed Ashgar-Ali

Achilles tendon problems, ankle replacements, arthroscopy ankle, arthroscopic/open ankle fusion, foot and ankle surgery including bunion, forefoot and hind foot problems, sports injuries, all fractures and post trauma problem in the foot and ankle and inflammatory condition of the feet.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Nellikunja Ashok

Knee surgery and foot surgery, hip replacement and minimally invasive knee replacement, ligament reconstruction and sports injuries.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Mark Dunbar

Partial knee replacement, total knee replacement including Mako robotic knee/partial knee replacement, revision knee replacement, ACL reconstruction, meniscal repair, arthroscopic knee surgery, knee ligament surgery, osteotomy and cartilage surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Tarek El Gamal

Foot and ankle surgery, flat and high arched feet problems, bunions, forefoot, hind foot, minimally invasive foot and ankle surgery, ankle arthroscopy, hind foot arthroscopy, achilles tendon problem, foot and ankle fractures and sports injuries.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Paul Fenton

Conditions of the foot and ankle including trauma, forefoot and hindfoot deformity, sports injuries and arthritic conditions. Limb reconstruction surgery and use of ring fixators (Ilizarov and hexapod frames) for deformity correction, limb lengthening and treatment of non-union.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Sanjeev Goswami

Ankle arthroscopic surgery, ankle ligament reconstruction, planter fasciitis, shockwave therapy, steroid and PRP injections, tendo-achilles and heel pain.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Venugopal Guduri

Foot and ankle, minimally invasive foot surgery, ingrowing toe nail, bunion, hammer toes, keyhole surgery, anterior ankle sope, forefoot and midfoot procedures, achilles, tendon problems, sports injuries.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Aashish Gulati

Hip and knee replacement procedures, including Mako robotic hip and knee surgery, ligament reconstruction and management of sports injuries.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Mark Hamlet

Arthroscopic knee surgery including meniscal repairs and ACL reconstructions, arthroscopic rotator cuff repairs, instability surgery of knee and shoulder, knee replacement shoulder replacement and sports injuries.

NHS Trust Base: University Hospitals of Derby and Burton NHS Foundation Trust

Mr Fahad Hossain

ACL reconstruction, arthroscopic knee surgery, cartilage surgery (AMIC and minced cartilage implantation - AUTOCART), knee osteotomy surgery (including personalised and complex double level osteotomy using 3D printed guides), MAKO robotic unicompartmental, meniscal repair and replacement surgery, multiligament knee reconstruction, patellofemoral and total knee replacement, patellofemoral surgery and PCL reconstruction.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Javed Iqbal

ACL reconstruction, arthroscopic knee and sports surgery, hip and knee replacement, knee osteotomies, navigation TKR and unicdylar knee replacement.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Shiv Jain

Arthroscopic knee, hip and knee replacement and Mako robotic hip and knee replacements.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Babis Karagkevrekis

All aspects of foot and ankle problems including foot and ankle degenerative disease, ankle arthroscopy, excision of ganglion/swellings, fusion of toes/feet/ankles, morton neuroma, sports injuries, tendon repairs/reconstruction, treatment of plantar fasciitis, reconstructive surgery for toes/feet problems and union correction.

NHS Trust Base: Private patients only

Mr Amit Kotecha

Hip replacements, knee arthroscopy, knee replacement, revision hip replacement, revision knee replacement and Mako robotic hip and knee replacements.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Shrikant Kulkarni

ACL reconstruction including hamstring and bone tendon, arthroscopic knee surgery including meniscal repair, patellofemoral replacement, primary and revision total hip and knee replacements.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Ms May Labidi

Minimally Invasive surgery, arthroscopies, fusions, bunions, Mortons Neuroma.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Panayiotis Makrides

Hip arthroscopy, knee arthroscopy, knee replacement, hip replacement, hip revision, sports injury, sports medicine, osteoarthritis, Mako robotic hip and knee replacements.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Callum McBryde

Hip arthroscopy, resurfacing, total hip replacement, femoral rotational osteotomies and acetabular osteotomies (both periacetabular osteotomy (PAO), triple pelvic osteotomy) and Mako robotic hip replacements.

NHS Trust Base: The Royal Orthopaedic Hospital NHS Foundation Trust

Mr Thomas Moores

Hip and knee replacement surgery, MAKO robotic assisted arthroplasty, complex revision arthroplasty for a wide range of causes, including unexplained pain, septic or aseptic loosening, component malalignment, wear or dislocation.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Ashvin Pimpalnerkar

Arthroscopic knee surgery, cartilage grafting, hip and minimally invasive knee replacement, ligament reconstruction of the knee, sports injuries and Mako robotic hip and knee replacements.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Divya Prakash

Lower limb surgery relating to sports injuries, cartilage regeneration/transplant, knee ligament reconstruction, partial and total knee replacement including robotic Mako total knee/partial knee replacement, patellofemoral joint replacement, arthroscopic knee and ankle surgery, hip replacement, sports related ankle surgery and PRP injections.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Spire

Little Aston Hospital

Making referrals easy with Spire Connect

Spire Connect serves GPs, practice staff and all other healthcare professionals.

Send referrals securely and instantly using our dedicated referral portal today.

With Spire Connect you can:

- Make secure online referrals for a broad range of treatments and services
- Save time and paper
- Refer patients who have health insurance or who want to pay for themselves
- Receive email confirmations once your referral is submitted and processed
- Access sent information at any time
- Find direct contact information for your local Spire Healthcare hospital

Looking after you.

Mr Gunther Selzer

Arthroscopic knee surgery including meniscus repair, MAKO robotic assisted total knee and hip replacement surgery, minimally invasive hip surgery, primary and revision total hip replacement and total knee replacement.

NHS Trust Base: Private patients only

Mr Paresh Sonsale

AC joint reconstruction, arthroscopic knee surgery, carpal tunnel, clavicle fracture, cubital tunnel release, Dupuytren's contracture impingement, knee replacement, meniscectomy, rotator cuff repair, shoulder dislocation surgery, shoulder replacement, tennis and golfer's elbow, thumb arthritis and trigger finger.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Peter Wall

Management of hip and groin pain in young adults. This includes hip arthroscopy (keyhole) for labral tears and femoroacetabular impingement, femoral and pelvic acetabular osteotomies (PAO), Birmingham Hip Resurfacing (BHR) and total hip replacement (including complex total hip replacement and MAKO robotic assisted total hip replacement).

NHS Trust Base: The Royal Orthopaedic Hospital NHS Foundation Trust

Orthopaedics – upper limb

Mr Rajiv Gogna

All shoulder, elbow and hand pathology including arthroscopic surgery, joint replacement, dupuytren's and peripheral nerve release.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr William Goude

Hand surgery, upper limb surgery and trauma with specific interests in shoulder instability, rotator cuff disorders and arthritis.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Mark Hamlet

Arthroscopic rotator cuff repairs, instability surgery of shoulder, shoulder replacement and sports injuries.

NHS Trust Base: University Hospitals of Derby and Burton NHS Foundation Trust

Mr Robert Jordan

Management of all shoulder and elbow conditions. This includes arthroscopic management of rotator cuff tears, shoulder instability, AC joint arthritis and biceps pathology as well as open procedures for shoulder arthritis.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Socrates Kalogrianitis

Shoulder and elbow surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Atul Khanna

Carpal tunnel, cubital tunnel, Dupuytren's contracture, ganglion surgery, hand surgery, lacerations to tendons, lumps/bumps, tendonitis, thumb base arthritis and trigger finger.

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust and The Walsall Healthcare NHS Trust

Mr Christos Kitsis

Arthroscopic wrist surgery, hand surgery, hand trauma and reconstructive surgery and wrist surgery.

NHS Trust Base: University Hospitals of Derby and Burton NHS Foundation Trust

Miss Kerstin Oestreich

Hand surgery (carpal tunnel, cubital tunnel, trigger finger, De Quervain's release, Dupuytren Contracture, Arthrosis and rheumatoid arthritis, thumb base arthritis) and wrist surgery and hand problems in children.

NHS Trust Base: Honorary Birmingham Women's and Children's NHS Foundation Trust

Mr Gunaratnam Shyamalan

All finger, hand, wrist, forearm and elbow pathology. Carpal tunnel, cubital tunnel, Dupuytren's disease, elbow fracture and arthritis, hand and wrist fracture (scaphoid/radius/ ulna / forearm) surgery, lumps/bumps and ganglion surgery, tendonitis / Dequervains and lacerations to tendons, tennis/golfer's elbow release, thumb and wrist arthritis, trigger finger and wrist keyhole arthroscopic surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Paresh Sonsale

AC joint reconstruction, arthroscopic knee surgery, carpal tunnel, clavicle fracture, cubital tunnel release, Dupuytren's contracture impingement, knee replacement, meniscectomy, rotator cuff repair, shoulder dislocation surgery, shoulder replacement, tennis and golfer's elbow, thumb arthritis and trigger finger.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Feiran Wu

Management of all hand, wrist, elbow and nerve conditions, keyhole carpal tunnel surgery, cubital tunnel, complex Dupuytren's disease, trigger finger, total joint replacement for thumb arthritis, tennis and golfer's elbow, joint fusion and replacement for finger and wrist arthritis, hand, wrist and scaphoid fracture fixation, tendon reconstruction and keyhole wrist surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

R

Respiratory

Dr Iyad Ismail

Lung cancer, asthma, COPD, bronchiectasis, pleural disease and effusions.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Rheumatology

Dr Sophia Khan

Gout, inflammatory arthritis test including rheumatoid arthritis and psoriatic arthritis, ankylosing spondylitis polymyalgia rheumatica, joint and soft tissue injections and osteoporosis.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Ravinder Sandhu

Inflammatory arthritis, early arthritis, connective tissue disease, respiratory disease associated with connective tissue disease, osteoporosis and gout.

NHS Trust Base: The Dudley Group NHS Foundation Trust

Dr Thomas Sheeran

Raynaud's, connective tissue diseases, inflammatory arthritis to include rheumatoid and psoriatic arthritis, inflammatory spinal conditions and soft tissue joint issues.

NHS Trust Base: The Royal Wolverhampton NHS Trust

Dr Arvind Sinha

Arthritis, connective tissue disorders, inflammatory joint disorders, osteoarthritis, osteoporosis, rheumatoid arthritis and soft tissue disorders.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Dr Srinivasan Venkatachalam

Rheumatoid arthritis, Osteoarthritis, soft tissue disorders, connective tissue diseases like Lupus, Osteoporosis and paediatric and adolescent Rheumatology.

NHS Trust Base: The Royal Wolverhampton NHS Trust

S

Spinal

Mr Gabriel Alo

Back pain, caudal epidural, coccygeal manipulation and surgery, coccygeal pain, facet joint/medial branch block, leg pain, lumbar microdiscectomy, lumbar spinal decompression, sacroiliac joint injection, sacroiliac pain, sciatica, selective nerve root block, spinal claudication and transforaminal epidural.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Amit Bhalla

Sciatica, back pain, leg pain, spinal stenosis, spondylolisthesis, adult and idiopathic scoliosis, degenerative spinal conditions, arm pain, cervical myelopathy/radiculopathy, trauma, fractures and tumour and revision spinal surgery.

NHS Trust Base: The University Hospitals of North Midlands NHS Trust

Mr Spencer Harland

Neuro-spinal surgeon. Cervical and lumbar micro discectomy, disc replacement surgery, minimally invasive surgery, spinal fusion and spinal surgery.

NHS Trust Base: Private patients only

Mr Faizul Hassan

Neuro-spinal surgeon. Spinal surgery for arm pain, back pain, cervical and lumbar micro discectomy, cervical and lumbar spine surgery, cervical disc replacement, endoscopic lumbar discectomy, intradural tumour surgery and spinal fusion surgery, minimal invasive spinal surgery, neck pain, sciatica, surgery for adult spinal deformity, surgery for spinal trauma and tumour and thoracic spine surgery.

NHS Trust Base: The Royal Orthopaedic Hospital NHS Foundation Trust

Mr Morgan Jones

Orthopaedic spinal surgeon. Conditions of the back and spine, back pain, neck pain, spinal surgery, sciatica, neurogenic claudication, myelopathy, spinal deformity, scoliosis, microdiscectomy and vertebral fracture/osteoporosis.

NHS Trust Base: The Royal Orthopaedic Hospital NHS Foundation Trust

Mr Fahid Rasul

Spinal disorders, such as back pain, neck pain, sciatica, and hydrocephalus. Anterior and lateral spinal surgery, cervical spine surgery, Intradural spinal surgery, lumbar decompression, lumbar spine surgery, micordiscectomy, spinal fusion, minimally invasive surgeries and pain management.

NHS Trust Base: University Hospitals Coventry and Warwickshire NHS Trust

Sports and exercise medicine

Mr Mark Gillett

Sports and exercise medicine, injury prevention and rehabilitation, musculoskeletal injuries, exercise physiology and strength training.

NHS Trust Base: Private patients only

U

Urology

Mr Shabi Ahmad

Bladder dysfunction, blood in the urine, Botox for overactive bladder, enlarged prostate (medical management, UroLift, TURP), erectile dysfunction, female urology, kidney and bladder stones (advanced endoscopic management, laser fragmentation and clearance), peno-scrotal pathologies (circumcision, hydrocele and epididymal cysts), prostate biopsies, raised PSA, urinary tract infections and urological cancer (prostate, bladder, kidney and testicular).

NHS Trust Base: Sandwell and West Birmingham Hospitals NHS Trust

Mr Rupesh Bhatt

Laparoscopic urology (kidney, bladder and prostate), partial nephrectomy, vasectomy and vasectomy reversal, uro-oncology complex kidney and pelvic surgery.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Aniruddha Chakravarti

Robotic surgery of the kidney and ureter, all surgery for benign prostatic enlargement with special expertise in holmium laser enucleation of prostate, early diagnosis of prostate cancer by MRI and Ultrasound guided fusion biopsies.

NHS Trust Base: The Royal Wolverhampton Hospitals NHS Trust

Mr Suresh Ganta

Andrology including microscopic vasectomy reversal, holmium laser surgery for urinary tract stones and prostate surgery including laser, female urology and Botox injections and bladder key hole surgery.

NHS Trust Base: The Walsall Healthcare NHS Trust

Mr Syed Ali Shahzad

Diagnostics and treatment for prostate, bladder and kidney cancer, diagnosis and treatment of urinary tract infections, minimally invasive laser surgery for prostate enlargement and urinary tract stones (kidney and ureter), vasectomy, frenuloplasty, hydrocoele repair, laparoscopic (keyhole) surgery for kidney and ureter, investigations and treatment for blood in the urine (haematuria).

NHS Trust Base: The Dudley Group NHS Foundation Trust

Mr Haider Syed

Kidney stones specialist, laser treatment and ESWL for kidney stones. Fast tract and one stop clinic for all prostate problems, BPH and prostate cancer. Rapid access clinic for haematuria and blood in the urine. Urinary infections in men and women, all scrotal and testicular conditions and adult circumcision.

NHS Trust Base: Private patients only

Mr Vivek Wadhwa

Enlarged prostate (UroLift, Rezum steam, GreenLight laser prostatectomy, TURP), kidney stones (laser and lithotripsy), erectile dysfunction; urinary tract infections, female urology, bladder dysfunction, Botox for overactive bladder, circumcision, vasectomy, hydrocele and epididymal cysts. Urological cancer (prostate, bladder, kidney and testicular), raised PSA, prostate biopsies and blood in the urine.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

V

Vascular surgery

Mr Donald Adam

Varicose veins – ultrasound guided foam sclerotherapy and/or radiofrequency ablation and ultrasound guided foam sclerotherapy. Thread veins (legs) – veinlite transilluminated microsclerotherapy.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Harmeet Khaira

Varicose veins, hernia surgery including laparoscopic and local anaesthetic, laparoscopic cholecystectomy and general surgery including lumps and bumps.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Mr Zahid Khan

Vascular surgery including injection and sclerotherapy.

NHS Trust Base: University Hospitals Birmingham NHS Foundation Trust

Spire

Little Aston Hospital

Are your patients with medical insurance using it?

Approximately 10% of UK population have a private medical insurance policy – but not everyone uses it*. If everyone who was eligible got treated using their cover, just imagine the impact this would have on NHS waiting lists.

We always encourage patients to tell their GP if they have PMI. Why not ask them too?

*Healthcare Cover UK Market Report (Fifteenth Edition), Laing Buisson

Looking after you.
