Spire Manchester is a modern hospital at the forefront of independent healthcare, our experienced and highly skilled staff provide outstanding care to all patients from diagnostics, to cardiac surgery.

Jonathan Thewlis, Hospital Director at Spire Manchester Hospital

About Spire Manchester Hospital

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently achieve excellent results, in a safe and secure environment. For us it's more than just treating patients, it's about looking after people, and the safety of our patients and colleagues is our number one priority.

It's our people that really set us apart

We know that you insist on the highest standards of care for the patients who put their trust in you, and you can be sure that our team will continue that care. For us it's more than just treating patients, it's about giving patients, their family and friends the most positive experience we possibly can in our hospital.

Our consultants

Every consultant working at Spire Manchester Hospital is on the specialist register of the General Medical Council and has met our practising privileges criteria. We know continuity of care is important. Once a patient has chosen his or her consultant, we will make sure that he or she is looked after by the same consultant, from the first appointment and throughout all treatment and follow-up care.

Our nursing staff

All our nurses are highly qualified and dedicated to caring for patients in a professional manner. For ultimate reassurance, we have a fully trained clinical team equipped to deal with medical emergencies 24 hours a day.

All the facilities you'd expect and more

Our 44 private rooms all have television, free wi-fi access and ensuite facilities. We have the following complement of services:

- Critical Care Unit (Level 3)
- Day case unit with 27 pods
- 23 consulting rooms, four outpatient procedure rooms
- Five laminar flow operating theatres and one hybrid theatre
- A JAG accredited endoscopy suite and ambulatory care unit
- On-site CSSD – decontamination and sterilisation department

- Physiotherapy department including a fully equipped gym and hydrotherapy pool
- On-site pharmacy
- UKAS ISO 15189:2022 accredited laboratory
- medicine service
- 24/7 resident doctor support

Emergency admissions

Call **0161 447 6677** and ask for the nurse in charge. The hospital **does not** have an accident and emergency facility.

How to refer your patients

At Spire Manchester we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **0161 447 6767**.

- 1 Use Spire Connect to upload the referral letter. Call **0161 447 6767** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **0161 447 6600** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

NHS referrals

Spire Manchester Hospital provides elective surgical services to NHS patients. Our aim is to make the referral process as quick and easy as possible. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system (<https://www.ebs.ncrs.nhs.uk/>).

Private referral letters

Referral letters can be:

- Faxed to **0161 447 6707**
- Submitted online at <https://spireconnect.spirehealthcare.com>

Self-funding patients

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **0161 447 6700**

Email: **info@spiremanchester.com**

Our fixed price packages* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Weight loss surgery

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.

The hospital does not have an accident and emergency facility.

GP education

We provide regular conferences and seminars for GP's and allied healthcare professionals, which take the form of lectures, Q&A sessions, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and held face to face and virtually over Zoom. Taking place generally in the evenings.

How to find out about our events
