# About Spire Regency Hospital

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently achieve excellent results, in a safe and secure environment. For us it's more than just treating patients, it's about looking after people, and the safety of our patients and colleagues is our number one priority.

## It's our people that really set us apart

We know that you insist on the highest standards of care for the patients who put their trust in you, and you can be sure that our team will continue that care. For us it's more than just treating patients, it's about giving patients, their family and friends the most positive experience we possibly can in our hospital.

## Our consultants

Every consultant working at Spire Regency Hospital is on the specialist register of the General Medical Council and has met our practising privileges criteria. We know continuity of care is important. Once a patient has chosen his or her consultant, we will make sure that he or she is looked after by the same consultant, from the first appointment and throughout all treatment and follow-up care.

## Our nursing staff

All our nurses are highly qualified and dedicated to caring for patients in a professional manner. .

## All the facilities you'd expect and more

- All our rooms are private, set in pleasant surroundings and all have satellite television, free wifi access and personal nurse call system

In addition to our private rooms, we offer:

- Private consulting rooms
- Two operating theatres with laminar flow
- Endoscopy and minor ops suite
- Two minor procedure rooms
- Multiple outpatient testing and treatment rooms
- Pharmacy
- Quality assurance
- CPA accredited pathology service
- CQC registered

# How to refer your patients

At Spire Regency we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

## Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package\* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **01625 505 412**.

- 1 Use Spire Connect to upload the referral letter. Call **01625 505 412** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

## Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **01625 507 462** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

## NHS referrals

Spire Regency Hospital provides a range of elective surgical services on behalf of the NHS, including orthopaedics and general surgery. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system (<https://www.ebs.ncrs.nhs.uk/>).

## Referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com>
- Emailed with encryption to [spireregencyoutpatientbookings@spirehealthcare.com](mailto:spireregencyoutpatientbookings@spirehealthcare.com)

# Spire self-pay

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **01625 505 412**

Email: **info@spireregency.com**

Our fixed price packages\* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cardiology treatment
- Cataract surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Gynaecology treatment
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment

Finance payment options are available for patients who wish to spread the cost of their treatment.

\*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

## Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.

**The hospital does not have an accident and emergency facility.**

## GP online referral guide

Spire Connect enables practice staff to log in and send secure, instant online referrals to Spire Healthcare hospitals. The system is designed to be as simple and efficient as possible, while protecting all confidential information within secure servers. It's our people that really set us apart.

Visit <https://spireconnect.spirehealthcare.com> or click on Spire Connect from the GP information and resources tab on our website.

### GP registration

When you access Spire Connect for the first time you will be required to register a few personal details to allow you access to the site and grant you permission to make referrals.

The GP information and resources area will also contain information from Spire Healthcare specifically for GPs including news on our forthcoming GP events.

### Making a referral

To make a referral click on the 'Make an online referral' link and complete all relevant details. The referrals for each patient will need to come from the GP making the referral.

### NHS referrals

You may refer patients to Spire Regency Hospital under the NHS choice regulations. To see what NHS services are provided and to make a referral, please use the NHS eReferral service.

### Imaging and other referral types

You can make referrals for radiological investigations by selecting 'Radiology' under the specialty list. To make a referral for physiotherapy, podiatry, dietetics, psychology etc, select one of these from under 'Allied Health Professionals' in the specialty list.

### Attaching patient notes

It is possible to attach patient notes to the form, however the ease of this will depend on your own patient record software. Take a look at the options available in your software to see if records can be 'exported' or 'saved as' to your desktop. Then from there you can attach them to this form. You will need to save the notes in a common format such as a text or word document (.rtf, .pdf, .doc, .txt), a spreadsheet (.xls or .csv) or an image format (eg .bmp, .jpg). Then click the 'send referral' button at the bottom of the page to submit the referral.

---

For more information on Spire Connect, contact either Oona Dowd or Suzanne Jones on [oonadowd@spirehealthcare.com](mailto:oonadowd@spirehealthcare.com) or [suzanne.jones@spirehealthcare.com](mailto:suzanne.jones@spirehealthcare.com)

## Referrer support

The teams at Spire Regency Hospital offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

### Primary Healthcare Relationship Managers

Our Primary Healthcare Relationship Managers are responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be treated at Spire Regency Hospital.

The Primary Healthcare Relationship Managers can be contacted on:

**Oona Dowd**

Phone: **07596 879 272**

Email: **Oona.dowd@spirehealthcare.com**

**Suzanne Jones**

Phone: **07548 217 424**

Email: **Suzanne.jones@spirehealthcare.com**

## Referrer education

We provide regular conferences and seminars for GP's and allied healthcare professionals, which take the form of lectures, Q&A sessions, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and held face to face and virtually over Zoom. Taking place generally in the evenings.

[How to find out about our events](#)

Search '**Spire Regency GP Education**'

Email us at **spiremcrhubevents@spirehealthcare.com**

\*Spire Healthcare patient terms and conditions apply.

# Imaging and physiotherapy

## Imaging

Reconstructive facial surgery, salivary gland surgery, facial deformity, oral surgery, oral lesions and dental implants.

**NHS trust base:** Stockport NHS Foundation Trust

---

### Ophthalmology

#### Mr John Awad

Cataract surgery, dry eye syndrome, eyelid surgery, laser eye treatment (YAG laser capsulotomy), refractive lens exchange and treatment for malignant skin cancer.

**NHS trust base:** Mid Cheshire Hospitals NHS Foundation Trust

---

#### Mr Christopher Hemmerdinger

Glaucoma, cataract surgery, ocular surface disease and minimally invasive glaucoma surgery.

**NHS trust base:** East Cheshire NHS Trust

---

#### Mr Alan Hubbard

Oculoplastics, blepharoplasty, cataract and lacrimal surgery.

**NHS trust base:** Mid Cheshire Hospitals NHS Foundation Trust

---

#### Mr Dan Nguyen

Cataract surgery, glaucoma, cornea and external eye disease and laser surgery for glaucoma.

**NHS trust base:** Mid Cheshire Hospitals NHS Foundation Trust

---

#### Mr Say Aun Quah

Cataract, premium lens exchange, refractive surgery, corneal diseases and corneal transplants.

**NHS trust base:** East Cheshire NHS Trust

---

#### Mr Arun Sachdev

Specialist in medical retina, intravitreal therapy to treat age related macular degeneration, diabetic eye disease, retinal vein occlusion and cataract surgery.

**NHS trust base:** East Cheshire NHS Trust

---

#### Mr Simon Walker

Cataracts surgery, squints and general ophthalmology.

**NHS trust base:** East Cheshire NHS Trust / Mid Cheshire Hospitals NHS Foundation Trust

---

#### Mr Conrad Yuen

Glaucoma, cataract surgery, lacrimal disorders and oculoplastic surgery.

**NHS trust base:** Stockport NHS Foundation Trust

---

### Orthopaedic surgery and treatments

#### Mr Keith Barnes

Lower limb surgery, hip and knee replacement surgery, signature knee replacement and hip revision surgery.

---

#### Mr Rakesh Dalal

Foot and ankle, lower limb joint replacement and sports injuries.

**NHS trust base:** Stockport NHS Foundation Trust

---

#### Mr Jochen Fischer

Upper limb surgery, wrist and hand surgery, upper limb tendon and nerve injuries, carpal tunnel surgery and sports injury.

**NHS trust base:** East Cheshire NHS Trust

---

### Mr Noel Fisher

Knee surgery, foot and ankle surgery.

**NHS trust base:** East Cheshire NHS Trust

---

### Mr Ahmed Mobeen Ismail

Sports injuries, knee injuries, knee arthroscopy, hip and knee arthritis and hip and knee replacement.

**NHS trust base:** Central Manchester University Teaching Hospitals NHS Foundation Trust

---

### Mr Nimesh Jain

Carpal tunnel syndrome, Dupuytren's contracture, elbow replacement, joint pain treatment, rotator cuff repair, shoulder arthroscopy, shoulder replacement, trigger finger release.

**NHS trust base:** East Cheshire NHS Trust

---

### Mr Vikas Kapoor

Minimally invasive procedures – microdisectomy, x-stop interspinous device for spinal stenosis, vertebroplasty for spinal fractures, kyphoplasty, lower back pain, nerve root compression and spinal injections.

**NHS trust base:** Stockport NHS Foundation Trust

---

### Mr Steve Kershaw

Lower limb surgery, hip and knee replacements, knee arthroscopy, foot and ankle surgery.

**NHS trust base:** East Cheshire NHS Trust

---

### Mr Amit Kumar

Cartilage defects, giant cell tumours, hip and knee replacement surgery, joint injections, knee arthroscopy, lipoma, meniscal tear surgery, osteoarthritis, rheumatoid arthritis, soft tissue and bone sarcoma, tendinitis.

**NHS trust base:** Central Manchester University NHS Hospitals Foundation Trust

---

### Mr Tahir Mahmud

Knee ligament reconstructive surgery, meniscal and cartilage repair, complex total knee replacement, total hip replacement and sports injury.

**NHS trust base:** East Cheshire NHS Trust

---

### Mr Syam Morapudi

## How to find us

From the south (London/Stafford/Congleton): Leave the M6 at Junction 17. Follow the A534 (Congleton) and continue onto the A536 (Macclesfield). Go through the traffic lights by the Flower Pot public house onto Oxford Road. Continue to the roundabout and take the second exit.

From the north (Lancashire/Preston): Leave the M6 at Junction 19. Follow the A556 (Knutsford); after one mile turn left at traffic lights onto the A537. Pass through Knutsford and Chelford. After Henbury, take the first exit at the third roundabout.

From the north/north east (Manchester/Stockport/Bolton/Rochdale/Yorkshire): Leave the M62 at Junction 13 and join the M60 following signs to Manchester airport. Leave at Junction 4 and follow the A34 southbound (Alderley Edge). At Monks Heath traffic lights, turn left onto the A537. After Henbury, continue as above.

By rail: Macclesfield station is approximately 5 minutes by taxi from the hospital.

Parking: We offer free parking for our patients and their visitors.
