Spire South Bank Hospital provides the gold-standard for joint replacement surgery with robotic technology which is bespoke, precise and unique for patients - it's a game changer.

**Mr Nadim Aslam**, Consultant Orthopaedic SMART Robotic Surgeon

## About Spire South Bank Hospital

Located in the city of Worcester, we provide comprehensive private hospital care for our patients across the West Midlands.

We're dedicated to providing quality treatment and aftercare. This means ongoing investment in our facilities and introducing new services so you can have up-to-date treatment and care in a clean, comfortable environment.

We aim to make your stay with us as comfortable as possible. Our facilities include:

- Enjoy your stay in one of our 25 beds, 15 of which are private bedrooms, fitted with en-suite facilities, television and WiFi access
- Two laminar flow theatres, one laparoscopic theatre and a JAG accredited endoscopy theatre, ensuring the utmost standards of cleanliness and safety.
- JAG accredited Endoscopy suite, carrying out a range of services including Colonoscopy, Flexible Sigmoidoscopy, Gastroscopy and Flexible Cystoscopy.
- Conveniently located on-site, our pharmacy is open from **Monday to Friday, 9am to 5pm**, for all your prescription needs
- Our outpatient department is open Monday to Saturday, and is comprised of 10 consultation rooms and three treatment rooms
- Dedicated bone and joint outpatient department run by leading Orthopaedic Consultants, where you can experience the future of joint replacements with Worcester's only private Mako robot, a leader in robotic hip and knee replacement surgery
- We offer a full spectrum of diagnostic services including CT, Fluoroscopy, Mammography, MRI, Ultrasound and X-ray
- MQEM approved Cancer suite offers exceptional oncology and haematology services outside the NHS
- Receive efficient and convenient blood test results with our in-house pathology service
- Physiotherapy department for rehabilitation offers sports therapy, physiotherapy, and post-operative rehabilitation to support your recovery journey
- Dedicated Spire Eye Centre department offering treatments for a variety of eye conditions, ensuring your vision is in expert hands

# How to refer your patients

At Spire South Bank Hospital we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

## Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package\* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **01905 362 252**.

- 1 Use Spire Connect to upload the referral letter. Call **01905 362 252** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

## Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **01905 362 220** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

## NHS referrals

Spire South Bank Hospital provides a range of elective surgical services on behalf of the NHS, including orthopaedics and general surgery. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system.

## Referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com/>
- Emailed with encryption to [outpatients-sb@spirehealthcare.com](mailto:outpatients-sb@spirehealthcare.com)

# For self-funding patients

Phone: **01905 362 252**

Email:

**[southbankhospselfpayenquiries@spirehealthcare.com](mailto:southbankhospselfpayenquiries@spirehealthcare.com)**

Our fixed price packages\* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cataract surgery
- Cosmetic surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Weight loss surgery

Finance payment options are available for patients who wish to spread the cost of their treatment.

\*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

# GP education

# Are your patients with medical insurance using it?

Approximately 10% of UK population have a private medical insurance policy – but not everyone uses it\*. If everyone who was eligible got treated using their cover, just imagine the impact this would have on NHS waiting lists.

We always encourage patients to tell their GP if they have PMI. Why not ask them too?

# A new level of precision for joint replacement

If you're considering hip or knee replacement surgery, the pioneering Mako robotic-arm assisted system could be the solution for you.

You could expect:

- A quicker recovery time
- Reduced post-operative pain
- 2–3 times the accuracy of traditional surgery
- Reduced length of stay in hospital

For you, this could mean a better functioning, more natural-feeling joint.

Walk away from hip and knee pain with the future of joint-replacements today.

## Three easy ways to go private

Pay for your treatment directly, use your health insurance or pay with our finance partner, Omni.
